## Just Patterns Faux Leather

Just Patterns is suitable for use in all high-traffic areas. This collection was designed to accompany the Just Colour range, ensuring that each pattern has a complementary plain vinyl. As with all Chieftain Fabrics, Just Patterns is entirely manufactured in the EU and REACH compliant. Our entirely vegan range is phthalate free and our backing cloth is produced from recycled polyester. It is essential for us at Chieftain to be as environmentally responsible as possible in all areas of production, making our impact less and our contribution greater to our planet.
